

Occupational Health & Safety Policy Statement

The Directors and Managers of Acclaim handling Limited are committed to continuous improvement in Health and Safety performance within the businesses and to support this same ethos in the Companies with whom we work.

Although the responsibility for Health and Safety is delegated throughout the Company the Directors and Senior Management fully realise their legal responsibilities under the Management of Health and Safety at Work Regulations 1999.

It is therefore Acclaim handlings policy to provide adequate and appropriate resources, and so far as is reasonably practicable, prevent personal injury, damage to property and protect everyone, including the public, from foreseeable work hazards, in so far as they come into contact with the Company or its products.

In particular the Company will:-

- Arrange for suitable and sufficient risk assessments to be carried out where significant risks are identified.
- Provide, maintain and continuously improve safe and healthy working conditions complying with all statutory requirements as a minimum, and where feasible exceed them.
- Arrange the collection of up to date Health & Safety information and ensure that the Health and Safety policy and arrangements are understood, implemented and maintained throughout the Company.
- Periodically review the Health and Safety policy and arrangements and audit compliance with objectives set.
- Provide information, supervision, instruction and training to enable all employees to carry out their duties and responsibilities safely and effectively.
- Make available appropriate safety devices and protective equipment, implementing and supervising their use to ensure compliance.
- Maintain a constant and continuing interest in Health & Safety matters applicable to the Company's activities, consulting and involving employees and their representatives.
- Ensuring that employees understand their statutory duty under the Health and Safety at Work etc Act 1974, to take reasonable care of themselves and others affected by their actions and to co-operate in the operation of this policy.
